

# Thomas J. Duszynski

## EDUCATION

PhD Epidemiology February 2022  
Indiana University Richard M. Fairbanks School of Public Health, Indianapolis, IN

Master of Public Health: Epidemiology-2010  
Indiana University-School of Medicine, Indianapolis, IN

Bachelor of Science: Biology 1988  
St. Meinrad College, St. Meinrad, IN

## Fellowships

University of Illinois at Chicago, Chicago, IL 2003

Mid-America Public Health Leadership Institute (MARPHLI) offers training and development services, particularly in the areas of preparedness, management and leadership. The services are tailored to meet the needs of both rural and urban areas in the Midwest. Training activities include face-to-face, online and blended learning options to address workforce development needs.

University of Illinois at Chicago, Chicago, IL 2007

Mid -America Advanced Leadership Institute Select MARPHLI graduates with representatives from IL, IN, and Wisconsin met in September in Springfield to plan an Advanced Leadership Institute. The Institute's primary goal would be for development of skills to deal with the changing face of Public Health

University of North Carolina, Chapel Hill, NC 2011

National Public Health Leadership Institute (PHLI) is a one-year leadership development program for high-potential leaders with a commitment to leading in their own organizations and communities, but also leading system change on the national scene.

## PROFESSIONAL ACTIVITIES

- Registered Environmental Health Specialist, State of Indiana, (1996 – 2010)
- Radiation Emergency Assistance Training for State of Indiana (2008)
- U.S. Department of Health and Human Services, Food and Drug Administration, commissioned officer (2012-2013)
- Consultant to Indiana State Department of Health, SWOT Analysis on the state of preparedness in Indiana, February 2015.
- Consultant to the Damien Center of Central Indiana, HIV continuum of care initiative 2013 to 2016.
- March 2015 Testified to the Indiana Legislature on SB461 House Public Health Committee. Needle Exchange legislation.

## EMPLOYMENT

### May 2022 – Present

Clinical Assistant Professor  
Director of the Master of Public Health Program

Curriculum Vitae – Thomas J. Duszynski

Director of Epidemiology Education, Lecturer, Department of Epidemiology  
Regenstrief Institute Affiliated Scientist

*Richard M. Fairbanks, School of Public Health at Indiana University, Indianapolis.*

This position oversees the MPH program for the school and reviews curriculum changes. Programmatic advisor for the Department of Epidemiology and the Certified in Public Health Examination for the school. This position also includes teaching, research, and service responsibilities.

**August 2013 – May 2022**

Director of Epidemiology Education, Lecturer, Department of Epidemiology

*Richard M. Fairbanks, School of Public Health at Indiana University, Indianapolis.*

This position provides guidance to graduate students pursuing their master's degrees in epidemiology regarding career paths, course schedules, and professional references. This position also allows for opportunities to lecture both to undergraduate and graduate level classes in epidemiology and the ability to advise on course content.

**May 2010 – August 2013**

Director of Surveillance and Investigation

*Indiana State Department of Health, Indianapolis, IN*

This position provides leadership and guidance to the epidemiologists of the Surveillance and Investigation Division within the Epidemiology Resource Center for maintaining the agency mission, vision, values, and public health priorities. This position also ensures that deliverables and metrics for federal grants supporting division objectives are met and ensures continuity of operations in the absence of staff members. This includes providing assistance to conduct disease surveillance, investigate disease outbreaks, implement control measures, and analyze and interpret communicable disease data. The position serves as a generalized disease subject matter expert to internal and external partners and provides for continuity of operations in the absence of the State Epidemiologist.

**August 2005 – May 2010**

Field Epidemiology Director

*Indiana State Department of Health, Indianapolis, IN*

The purpose of this position is to supervise the ISDH field epidemiologists and, in their absence, provide for continuity of operations in their behalf. This includes providing assistance to local health departments to conduct disease surveillance, investigate disease outbreaks, implement control measures, and analyze and interpret communicable disease data. The position serves as a generalized disease subject matter expert and provides for continuity of operations in the absence of the Director of Surveillance and Investigation.

**December 2003 – August 2005**

Field Epidemiologist

*Indiana State Department of Health, Elkhart, IN*

Providing assistance to local health departments to conduct disease surveillance, investigate disease outbreaks, implement control measures, and analyze and interpret communicable disease data. through the Indiana State Department of Health (ISDH) Epidemiology Resource Center (ERC). Stationed within Public Health Preparedness District 2 covering 7 counties in north central Indiana, assisting health professionals within that district with any disease related issue while being on-call 24/7.

**August 2010 – May 2011**

Teaching Assistant, graduate program

*Indiana University-School of Medicine, Indianapolis, IN*

Assist students in understanding both introductory and advanced epidemiological methods and concepts, grade homework assignments, teach the course when needed

**December 2001 – December 2003**

Environmental Supervisor

Curriculum Vitae – Thomas J. Duszynski

*LaPorte County Health Department, LaPorte, IN*

Lead the environmental division consisting of the water quality laboratory, environmental inspections, and complaint section, waste-water treatment section, to ensure that local statutes are being fulfilled.

**May 1991 – December 2001**

Environmental Health Specialist

*Porter County Health Department, Porter County, IN*

Day to day fulfillment of environmental responsibilities, including but not limited to waste-water treatment, environmental review and complaint remediation.

**January 1990 – May 1991**

Environmental Health Specialist

*LaPorte County Health Department, LaPorte, IN*

Fulfill the local statutes for food service code compliance for both restaurant and retail establishments.
